

Understanding the world

- King's Coronation
- Eid
- Mapping games and camera voice clips
- Using tablets to take photographs
- Interactive White Board games
- Beebots
- Eco week – taking care of our garden and world
- Planting and growing – seeds, grass heads
- Observing minibeasts, birds and pond life
- Life cycles
- Shadows
- Local walks to create maps
- Directional language
- Landmarks in Walthamstow and London
- Water play – floating and sinking
- Cooking – following pictorial recipe cards
- Scientific experiments
- Testing materials for making planes and kites

Communication and language

- Tales Toolkit
- Phones – making using cups and string
- Listening and looking walks
- Talking tables
- Circle time
- Sharing 'news' during story time.
- High quality story time

Literacy

- Tales Toolkit
- Using names in the environment
- Bookmaking
- Making resources for role play – tickets, appointments, prescriptions, car reports etc
- Acting out stories using repeated refrains
- Making posters – e.g. how to take care of the world
- Phase 1 phonics – focus on oral blending and segmenting and hearing initial sounds

Church Hill Nursery School
Medium Term Plan
Summer Term 2025
Topic: The World Around Us

Expressive art and design

- Role play: train station, hospital, garage
- Large scale printing
- Taking rubbings
- Mask making to aid story re-enactment
- Butterfly printing
- Junk modelling
- Transient Art
